

Power Here

Mississippi Power Company crews have completed construction of a new substation serving the city. This substation, now in operation, is completely new with the most modern equipment available.

Located at the corner of Natchez Ave. and State Street, the new substation will handle load center than the old substation which was located on the lot plant on Railroad St. The new substation has a 50 per cent greater capacity than the old one. In addition, provision has been made so that capacity can be increased when necessary. A. H. Gregory, substation manager, said, "Although the electricity in Bay St. Louis has grown rapidly in recent years, this substation will not only take care of all present requirements but also provide for anticipated growth."

Three main feeder circuits to different areas of the city have been provided where formerly there was only one. This will give more efficient service and in case of local trouble only one area will be affected. New voltage regulators, circuit breakers and powerful automatic switches will further reduce interruptions to service.

The old substation will be dismantled and for probably the first time since Bay St. Louis has had electricity there will be no electrical equipment on this site.

In addition to the new substation, line crews have been working on the distribution system for several weeks. New leaders have been added and in many places the old wires have been replaced with larger wires. This, of course, provides for more capacity on the lines.

"Bay St. Louis is growing," said Gregory. "That is evident from the number of new customers we are serving each month. The cost of electricity is about the only thing that hasn't gone up in the last several years. In fact, the average cost per residential kilowatt hour has gone down."

"Our customers are using more electrical appliances because of the comfort and convenience they give and because electricity is economical. As a result, the demand for electricity has increased and so we have expanded our facilities. We, of course, will continue to do so that plenty of electricity will always be available to meet the demands of our customers."

COUNTY GAS TAX HEARING SET BY SUPREME COURT

The State Supreme Court Monday set March 23 as the date for hearing on a petition for a writ of habeas corpus to set aside a 1952 state law requiring gas tax revenues to counties and placing a \$190,000 ceiling on the amount any county can receive.

Agreed with the support of the "little" counties, the law would take more than \$1 million in gas tax revenue a year away from 12 counties in the state.

In a lower court decision, Judge M. M. McGowan in Hinds County District Court had the law invalid on the grounds that it contained a technical flaw which the Legislature had opportunity to correct. The bill failed to specify if the \$190,000 ceiling was an annual maximum.

In reversing the date for the hearing on the case, the Supreme Court ordered the filing of briefs not later than Feb. 10. The style of the case is *State ex rel. Hinds County v. McGowan*. The case was argued by the attorney general, Mr. J. P. A. Allen, and the attorney representing the counties, Mr. J. P. A. Allen. The case was argued by the attorney general, Mr. J. P. A. Allen, and the attorney representing the counties, Mr. J. P. A. Allen.

Drive Volunteers

Volunteers are needed in the March of Dimes campaign. The campaign is to help the mothers of children with birth defects. The campaign is to help the mothers of children with birth defects.

MARCH OF DIMES HIGHLIGHTS GARDEN CLUB MEETING JAN. 8

The regular monthly meeting of the Bay-Waveland Garden Club was held on Thursday, Jan. 8 at the home of Mrs. Lydell Caffery, 808 West Beach Pass Christian.

Mrs. Pat. Murphy, Chairman, of the Mothers March, appointed by Mrs. Theo. Tudury General Chairman of the March of Dimes, introduced, Miss Bobbie Coleman, who showed a film entitled "Mothers March." This film was a construction plan of organization and campaign to enlighten the mother's who participate in this event. The Mother's March which is held on the evening of January 29th urged all homes that will make a contribution to the March of Dimes to have a lighted porch for the hour between 7 and 8 p. m. The mothers of the respective neighborhoods, who have volunteered to do collections will then call on such homes as are lighted.

Following Miss Coleman's film a lecture was given by Dr. Walter Hava who gave information on how to care for plants during the winter months. The camellia show, which had been scheduled for this month, has been postponed until February.

The general business meeting was then held, and after the completion of a social hour was held, and refreshments served by the hostess. Hostesses for the afternoon were: Mesdames Lydell Caffery, Thomas P. Sellar, A. P. Smith, Chas. Bryant, S. J. Mauney, T. T. Robb, W. W. James, and Miss Elise Spott.

KING'S DAUGHTER HOSPITAL NOTES

Mrs. W. A. Dickson, Pinedale, Miss., is a medical patient. Baby Carl Lina is critically ill with pneumonia.

First baby born in Bay St. Louis in 1953 is the son of Mr. and Mrs. Arthur Bourgoin of Waveland. The young man arrived on Wed. Jan. 7 at Kings Daughters Hospital.

LWV Board Meets

Importance of registering and paying poll tax was discussed at a meeting of the Board of the League of Women Voters at the home of Mrs. Albert Caffery on Nicholson Ave. at 1:30 p. m.

Members were urged to improve the quality of registration and to encourage members of the League to turn out to vote.

A meeting of the Bay St. Louis Chapter of the League of Women Voters was held at the home of Mrs. Albert Caffery on Nicholson Ave. at 1:30 p. m.

The meeting was held at the home of Mrs. Albert Caffery on Nicholson Ave. at 1:30 p. m.

The meeting was held at the home of Mrs. Albert Caffery on Nicholson Ave. at 1:30 p. m.

ALTAR SOCIETY MEETS

First meeting of the Altar Society of Our Lady of the Gulf Church for 1953 was held Wednesday afternoon at the Boy Scout Den with a nice attendance, and the new president, Mrs. Ben H. Hille, presiding. Other newly elected officers serving were Mrs. G. Battalora, treasurer, and Mrs. Horace Kegosion, Secretary.

The financial report for the year was an excellent one, showing a nice balance at the end of the year, and splendid assistance having been given the Church.

It was brought out at this time that dues of \$1.25 for the year 1953 are now due and a plan was discussed to facilitate the collection of dues during this month of January.

The Recording Secretary, Mrs. E. M. Heath, reported a sympathy card had been sent to Mrs. Luther Ansley, and request for a mass for the repose of the soul of Mrs. Harry Doize was made of Msgr. Gmelch at the meeting.

After a discussion, plans were made for work to begin in needlework for the Altar Society's booth at the Annual Church Fair and Mrs. Battalora was named chairman of this committee.

Msgr. Gmelch gave an interesting talk on "The Cardinals of the Church," explaining in part that they were the cabinet of the Catholic Church, members of which, prior to 1700, were permitted to be laymen. He exemplified the greatness of the Bishops selected to serve as Cardinals.

At the close of the meeting, the Hostesses for the day, Mesdames Karpouien and Hille, served refreshments, and further discussion and plans for the new year's work were continued during the social hour.

Carnival Court Committee Meets at Brignac Home

On Monday night January 5, the Court Committee of St. Joseph Academy Carnival Ball met at the home of the Chairman of the Committee, Mr. E. M. Brignac. Plans were discussed for the forming of the Court for the Ball which will be held on Friday the 13th of Feb.

Members asked to be in the court remain secret to the public until they make their appearance on the floor the night of the ball. This makes interest and speculation keen, and every one begins to conjecture as to who will or will not be presented to their Majesties. The ball, which is an annual event in Bay St. Louis, is given for the benefit of St. Joseph Academy, and the money taken in enables the Academy to give a good Catholic education. It is a most worthy cause and should be of interest to the entire community.

BYWC Auxiliary to Meet

The Ladies Auxiliary of the Bay Waveland Garden Club will have a luncheon at the home of Mrs. Albert Caffery on Nicholson Ave. at 1:30 p. m.

The meeting was held at the home of Mrs. Albert Caffery on Nicholson Ave. at 1:30 p. m.

ROTARY PROGRAM ON MARCH OF DIMES

The weekly meeting and luncheon held by the Rotary Club each Wed. at the Reed Hotel was the scene Wed. Jan. 7 of interesting discourse on Polio.

The meeting was called to order by the President, Ben Hille, and guests were introduced by Carl Smith.

The guests present were: Mrs. Theo Tudury, Chairman of the Local Campaign for the National Infantile Paralysis Association, Patrick Murphy, Chairman of the Advertising Committee for the local drive; Dr. C. M. Shipp, County Health Officer, Miss Margaret Olsen, Representative for the National Infantile Paralysis Association for the Southern District, Miss Bobbie Coleman, Secretary for the Local Drive, Dr. Emmett Lee Irwin, an out-of-town guest member and Frank Jemison, of Memphis, Tenn., who is the builder and owner of the new Holiday Shores Court which is being built between Pass Christian and Gulfport.

David McDonald, Chairman of the Program Committee had appointed his brother, C. C. McDonald Jr. to handle the program for this meeting. Mrs. Tudury was introduced by C. C. McDonald Jr., and gave a brief talk on the activities and plans of the local group for the securing of campaign funds.

Dr. Shipp was called upon to give a talk on the procedure used in the County when a diagnosis of polio was made. Miss Olsen was then introduced and gave a talk on the research and care given by the National Chapter to all victims, and the film "Daily Battle" was then shown by Miss Olsen to the attendance. This film deals with polio from the first diagnosis until the patient is discharged from the hospital. It showed the treatment and methods used for the aiding and curing of this dread malady and stressed the fact that cooperation from all is the vital factor of this work. It also stressed the fact that polio is on the increase, and that it strikes all alike. Rich or poor, old or young, healthy or ill, no preference is given by this awful malady, therefore it is the duty of all to help to prevent and to cure those who have been stricken.

After the showing of the film the meeting was adjourned.

GARDEN CLUB BOARD MEETS

The Executive Board of the Garden Club met at the home of Mrs. Walter Hava, Waveland, for the last meeting of 1952. There was a representative attendance. Plans were discussed for the Camellia Show which will be held in February. Plans will be published when completed. There was also discussion for the purchase of the Coral Phytarium which will go in March.

The meeting was held at the home of Mrs. Walter Hava, Waveland, for the last meeting of 1952.

\$298,973 Home Project Contract Let

LITTLE THEATRE TO HAVE VARIETY SHOW. AWARD OSCARS JAN. 22

On Wednesday, Jan. 7 the Executive Board of the Bay St. Louis Little Theatre met at the home of the Vice President, Erle Kirkpatrick. Due to the illness of the President, N. L. Carter, the meeting was conducted by Mr. Kirkpatrick.

It was agreed by the Board that a Variety Show, will be given by the theatre on Thursday Night, Jan. 22 at 8 p. m. This will be a complete variety for the theatre patron. Excellent musical entertainment with trained voices will be part of the program, with a skit or two and possible monologues. The entertainment will last for approximately one hour, at which time there will be coffee served in the foyer. Immediately following the intermission the awarding of Oscars will take place, and the annual business meeting will follow. This is an innovation by the theatre in supplying entertainment at such a meeting, and the board has worked the details so that the business end of the meeting will not consume more than an hour of time. Members will use their cards, and for non-members who may wish to participate a gate charge of 50c. Any non members who may wish to purchase membership cards for 1953 may do so at this time, and then the 50c will be waived. Old members are urged to renew their membership cards at this meeting.

A schedule of the entertainment will be given in next weeks paper. The Board is urging all interested people, whether they are members at present or not to please come to this show, as they assure good entertainment, plus an interesting evening in seeing the awards, and a participation in the running of the theatre for the 1953 season.

MOTHER-DAUGHTER BASKETBALL GAME SLATED AT CONVENT

At the regular meeting of the mother's Club of St. Joseph Academy plans were completed for the basketball game that will be held at the Convent Gym, on Monday night Feb. 2 at 8:00 p. m. This game will be one of the highlights of the month for Bay St. Louis, and surrounding territories. The players will be Mother's and daughters on opposing teams. As a prelude to the game, there will be a pep parade thru town on Monday Afternoon at 3:30. The players will participate. Half time activities will be staged by the mothers, who will put on a show such as brought cheers from the crowds a generation ago. The cheering section and the cheerleaders will also be the mother's and the uniform chosen by the ladies to play the game is the black bloomer and white middie blouse that was classic when "Mother was a girl". This event should be quite mirth provoking.

We ourselves are wondering just how long the wind of these ambitious ladies will hold out when they begin a fast contest with the younger generation. Admission for adults will be 50c for children 15c, so far a very meager sum, much fun is promised for those who see "The Mother-Daughter Basketball Game".

To Chicago Furniture Mart

Mrs. C. C. McDonald and Mrs. Hille Erwin left yesterday for Chicago to view what is new in the Winter Furniture and Merchandising Markets. They will be gone for a week.

Local Safety Display Featured

The safety display of Police Towers Home, located on Highway 90 opposite Gilmore Motors is receiving much occupancy.

The display is a very attractive one, and is a very good example of what can be done for safety.

WORKERS HURT ON NEW BAY BRIDGE

J. E. Woodcock of Waveland and Rene Barnard of Bay St. Louis were injured Tuesday when they were struck by a wooden beam on the west end approach of the new bridge under construction across the Bay of St. Louis. They were taken to Memorial Hospital, Gulfport.

Woodcock suffered shock and a bruised leg when the beam knocked him from the bridge into the water. Barnard landed on a beam under the bridge, receiving chest, back and abdominal injuries.

Both men returned home Wednesday. The accident occurred about 3 p. m.

LUCIE DOZIE DIES MONDAY, JAN. 5

Mrs. Lucie Dozie, 81, died in Kings Daughters Hospital at 10:45 p. m. Monday, Jan. 5.

Daughter of the late Alice Cecil and John Bahn of New Orleans and wife of the late H. C. Dozie, she moved to Bay St. Louis from New Orleans in 1924.

She is survived by three daughters and three sons: Mrs. Guy Mawson, Mrs. Rexell Potts, Mrs. F. E. Jones, Sidney, Harry Jr. and Martin Dozie, all of New Orleans.

The body was taken from Police Towers Home Tuesday morning to the Schorn Funeral Home in New Orleans. Burial will be in Lakeside Cemetery No. 1 in New Orleans.

Presbyterian Home Mission Service to be Sunday, Jan. 11

The Presbyterian Home Mission Service will have a regular service on Sunday, Jan. 11 at 1:15 p. m. on Main Street at 11 a. m. For information contact Miss Barbara A. Slick. All members are requested to attend. Visitors are welcome.

YOUTH COUNCIL TO MEET

AND THE CLOCK SERVICE!

... what the need may be... to the doctor... the police... or the fire department... or only to perform some simple task... those of social errand... your telephone... at the 15th of the month... to speed your... the clock your telephone service... convenience and peace of mind.

And year in and year out, your telephone company serves your needs better by improving methods and expanding and improving equipment... in your community just as everywhere else in America... the number of homes and businesses that can be reached from your tele-

phone has grown tremendously in recent years... And the demands for our service are growing... but so are we, for we aim to meet every demand as soon as possible!

\$70 Million in 7 Years to Serve More Mississippians Better

Extending and improving our system to keep pace with Mississippi's growing prosperity is a big job!... For new lines, cable, buildings, equipment, Southern Bell has spent close to 70 million dollars in Mississippi in the last 7 years!

the best possible service at the lowest possible cost

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY

FOUR 4-H COUNCILS RECEIVE \$50 AWARDS FROM UNITED GAS CO.

JACKSON, Miss. (Special)—United Gas Award checks for \$50 were mailed recently to four outstanding 4-H County Councils in the Northwest, Northeast and Southwest Extension Districts following a review of the County Councils by Mississippi Agricultural Extension Service staff members. It was announced today by J. D. Davis, Jackson District Manager of United Gas products, that the award was made.

County Councils in Marion, Lauderdale, Bolivar and Monroe Counties were recipients of the award.

"We hope this award, which may be

used for any 4-H activity, will be an incentive for these County Councils to continue their fine work in building stronger 4-H Clubs and thereby make an even greater contribution to the economic prosperity of our state and its citizens," declared Davis.

The \$50 awards made to the four outstanding 4-H County Councils are a part of a United Gas continuing program aimed at developing leadership and good citizenship qualities among the youth of Mississippi. In the sixth consecutive year of United Gas sponsorship, this program is offering outstanding 4-H Clubs \$34 expense-paid trips to district, state and national 4-H Club events.

Two outstanding Junior Leaders, Flora Nell Rye of Hamilton and Ir-

Dean Rhodes of Brandon, attended the National 4-H Club Congress in Chicago in late November after receiving their awards at the statewide 4-H Roundup in Jackson.

United Gas has carried its youth-development program even further for the past three years by adding 50 per cent in cash to all prizes in junior classes at the Mississippi State Fair.

LAND VALUE GAINS IN STATE REPORTED

Land values in Mississippi have increased nearly three-and-one-half times from 1935 to the present time, according to C. C. Greer, farm loan association official. They have now reached their highest level. The index number of average land value increased in Mississippi from 90 in 1935 to 312 in 1952.
